OBJECTIVES

The SCCC Legal Chapter was established more than 20 years ago. Tending to the needs of the SCCC members, its activities focused on the legal background in China for investment by Swiss companies. Against the backdrop of increased Chinese investment in Switzerland and the SCCC becoming a level playing field for Swiss and Chinese companies, the SCCC Legal Chapter has redefined its strategy and will offer a two-way bridge-building function. Launching its redefined role as a centre of competence and exchange of Swiss and Chinese legal issues and developments, the SCCC Legal Chapter will tackle topical issues from both, the Swiss and the Chinese side at its Forum 2017. The Forum is well suited for whoever is involved or interested in cross-border legal issues between China and Switzerland.
